

Creative Writing Group Challenge

A nursery rhyme with no "e"s

Twinkly twinkly smallish star
How to think you got so far
Up you climb to fly so high
Now a diamond in our sky

Mary Mary so contrary
Do you think your carrots will grow?
With no rainfall
Carrots can't grow tall
And won't stand up all in a row.

Jack and Jill had a walk up a hill
To carry a paid of liquid
Jack has a fall and hit his skull
And Jill was falling also

Hickory dickory dock
A rat ran up our clock
Our clock struck two
What did it do?
Hickory dickory dock

This is my stylin',
A car has a violin
A cow vaults across our moon
A small dog laughs,
It's all such fun
And a dish runs away with its spoon

Mary, Mary so contrary
How fast your food crop grows
With carrots lush
And currant bush
And pack choi all in rows, in rows
And pack choi all in rows
